Response to Notice of Non-Compliant Appeal Brief

Sir:

This communication responds to the Notice of Non-Compliant Appeal Brief mailed on August 24, 2007. The Office Action indicates that the appeal brief filed by Applicants on May 9, 2007 fails to comply with 37 C.F.R. § 41.37. According to the Office Action, "Applicant references an amendment to claim 10 in the Status of Amendments. No such amendment is of record."

Applicants are submitting herewith a corrected appeal brief in which the Status of Amendments has been corrected. As Applicants point out in footnote 1 of the appeal brief, claim 10 mistakenly refers to "the mounting member" instead of "the mounting mechanism." Appellants acknowledge this error and will make the appropriate correction (by replacing the word "member" with the word "mechanism") at the appropriate time after this appeal. No other substantive changes have been made to the appeal brief.

Applicants have responded to the Notice of Non-Compliant Appeal Brief within the allotted time period to avoid dismissal of the appeal and do not believe that any fees are required for this response. Should any fees or surcharges be deemed necessary, the Examiner has authorization to charge fees to Deposit Account No. 23-3000.

Respectfully submitted,
WOOD, HERRON & EVANS, L.L.P.
